**Subject:** Feedback - Personal Details

I have never liked keeping personal & private details on my premises. I don't want to be responsible for their theft. All I require of there personal details, is their IRD number (the IRD have conducted their due diligence before handing out numbers so have the banks for opening bank accounts). Sighting personal documents should be all that is required and not having to store them in my office.

Regards

**David W Harrison**
